

## Havergal Parking Information

Please use the parking lot on the north side of the school. There is an entrance to the parking lot off of Avenue Rd. From there you will have walk back past the front of the school and use the entrance to the gym that is on the west side of the Athletic Facility. There is also an overflow parking area on the tennis court, if you are using this we recommend dropping your child off close to the school first, then parking, as you will have to walk back around the field to get to the entrance. The school is under construction and it is important that you use the information we have provided as there are some places you can not access the entrance to the athletic facility from.
